

FOR IMMEDIATE RELEASE

Suite Solutions Joins Webworks.com Partner Program

Industry Leaders Forge a Strategic Alliance to Provide State-of-the-art Solutions to Complex Publishing Challenges

AUSTIN, Texas — January 03, 2008 — WebWorks.com, a brand of Quadralay Corporation, the leading developer of publishing platform solutions for single-source delivery of online content, today announced that Suite Solutions, a leading provider of content management software and integration services, joined its Partner Program as a Preferred Services and Technology Partner. Together, WebWorks.com and Suite Solutions offer their clients an unparalleled depth of expertise to solve complex corporate publishing challenges.

The strategic alliance between WebWorks.com and Suite Solutions will include joint projects along with robust marketing and sales efforts. Additionally, Suite Solutions and WebWorks.com will work together with customers to implement environments that will effectively utilize the WebWorks ePublisher Platform to support single-source publishing of content to multiple online delivery formats. This includes implementation with content management systems, automated IETM production, and advanced adaptation of ePublisher technology for special requirements.

“The combination of Quadralay’s state-of-the art solutions together with Suite Solutions’ experience and intricate knowledge of CMS systems and tool-selection create a powerful force in the industry,” said Susan Wolf, Vice President of Business Development for Suite Solutions. “Our partnership with WebWorks will allow us to reach out to an even wider audience and introduce cutting-edge technology to improve processes in the publishing and information technology industry.”

“In addition to the added value that we can now provide to our current customers with our joint efforts, the wide base of operations represented by the alliance between our two companies will

certainly be an appealing factor to our combined customer base as well as to our potential clients,” said Joe Gelb, Founder and President of Suite Solutions. “Our joint training efforts will now truly span the globe and will allow us to improve an organization’s publishing process quickly and seamlessly.”

“Suite Solution’s reputation as a first-class service provider as well as their experience with integration between enterprise systems categorized them as an attractive partner for us,” said Tony McDow, Quadralay’s CEO. “We welcome the opportunity to upgrade our longstanding working relationship into a formal partnership and strongly believe that this new partnership will not only benefit each of our companies, but will be in the best interest of our clients as well and will turn the challenges in online publishing into opportunities with unlimited potential.”

About WebWorks.com

WebWorks.com, a brand of Quadralay Corporation, is the leading provider of comprehensive online publishing and help system delivery solutions. Its products and services constitute the definitive single source for all its customers’ ePublishing needs. WebWorks.com specializes in content conversion software that outputs Web, online help, and technical publication formats. The ePublisher Platform can automate the conversion of source documents in popular authoring formats such as DITA-XML, FrameMaker, or Word and convert them to multiple end-user formats such as WebWorks Help, HTML, CHM, and PDF. ePublisher’s conversion system is based on XSL so that output formats can be customized or even developed from scratch if needed.

About Suite Solutions

Suite Solutions offers a broad range of professional services to technical documentation groups of any size implementing DITA, S1000D, SCORM, IETM and other standards. Services include training, consulting, CMS and tool selection and implementation, XSL-FO style sheet and template development, and custom integration and support. Suite Solutions brings together experienced professionals with extensive knowledge of industry standards and best practices, making available a collective broad experience in XML-based documentation, information architecture, component-oriented content development, and application of tools for successful optimization of authoring, management, localization and multi-purpose publishing. Suite Solutions distinguishes itself with its

responsive support, uncompromising professionalism, and the ability to think out of the box to find creative solutions to the individual problems of each organization.
